## BEST ORGANIC LIP BALM

### AUBREY ORGANICS ORGANIC LIP BALM

**Why we love it:** Let this super-moisturising lip balm come to the rescue of your chapped lips. Made with all-natural ingredients, just a lick of this renders your pucker petal-soft.

**Did you know?** The ultra-conditioning properties of this balm are made up of vitamin C-packed Rosa Mosqueta as well as other hydrating oils.

**Sweet kisses:** If the spearmint flavour is too cool for you, try traditional alternatives like fruity raspberry or tangy tangerine – sure to zest up your morning and put smile on your face.

*Aubrey Organics Organic Lip Balm retails at RM19 and is available exclusively at all TNS Skin Lab stores nationwide.*
